

BOOM PIPE RACK

The boom pipe rack is designed to optimize platform work space and make it easier for plumbers, electricians and maintenance workers to carry pipes and conduit

- Adjustable nylon strap to secure loads
- Mounting location eases loading/unloading material without impeding work space
- Rated work load up to 235 lb (107 kg)
- Maximum allowable pipe length is 23' (7 m) by 4" (10 cm) diameter
